**Stop by Your Cozy, Neighborhood Fish City Grill
To Enjoy Four Tempting New Menu Items**

DALLAS (April 5, 2010) – Neighborhood Ventures, Inc., the fun-loving and friendly parent company of Fish City Grill and Half Shells restaurants, introduces four new menu items and a new menu layout:

- Honey Chipotle Shrimp Tacos, inspired by the restaurant’s honey chipotle shrimp appetizer, guests receive three corn tortillas filled with honey chipotle shrimp, drizzled with cool ranch dressing and topped with diced avocado, sliced carrot & celery. A sweet and tangy twist on the taco, for \$8.99.
- Shrimp and Andouille Mac & Cheese, bringing a whole new decadence to one of America’s favorite comfort foods, this dish features a creamy blend of three cheeses, grilled shrimp and Andouille sausage. A filling meal for \$9.99.
- Crab Stuffed Shrimp, fresh shrimp filled with delicious Blue crab stuffing and topped with a homemade Chardonnay cream sauce. The dish is served with fresh vegetables and rice pilaf for \$12.99.
- Crab Bisque, a rich and cream bisque made with fresh Alaska snow crab and Blue crab. Served in a cup for \$4.49 or bowl for \$6.49.

“We offer a casual, family-friendly and fun atmosphere for our guests, but we’re passionate about serving great seafood. We had to be sure that any new menu items we offer exceed our guest’s expectations,” said Bill Bayne, who co-founded Fish City Grill with his wife, Lovett. “We are proud to introduce these four new menu items, and have received overwhelmingly positive feedback from our guests regarding the flavor of these dishes, as well as the new look of our menu.”

Classic favorites are still featured on the menu, and as always, Fish City Grill supports fisheries and vendors that are environmentally conscious and fish legally from sustainable waters.

Fish City Grill is a full service neighborhood seafood joint, providing a family friendly, cozy dining experience, offering great seafood items such as its signature Oyster Nachos, Honey Chipotle Shrimp, Serafin’s Fish Tacos and delightful chalkboard specials that change daily for lunch and dinner. The menu also includes a “Things That Don’t Swim” category, which offers non-seafood items such as Hugo’s Louisiana Pot Roast, Red Beans & Rice, as well as delicious grilled chicken and pasta dishes. Guests can also enjoy a full bar and well-priced wine list.

Not only does Fish City Grill offer great food and great service, but its owners also pass along one of its unique company philosophies. A passion for creating an “Awesome Place to Be” where employees and guests feel better about life after they leave our restaurants than before they came in.

Listed as one of the “Best Companies to Work” for in Texas by the Best Companies Group for four consecutive years, Fish City Grill also supports its local communities with its “First Tuesday Benefit” program. The program donates 15 percent of the daily sales to a local charity on the “First Tuesday” of every month.
